

Business Blueprint RIDE • 2024

IN SUPPORT OF

16TH - 21ST
APRIL 2024

HUA HIN to KHAO LAK
THAILAND

500KM in 5 DAYS

In 2024, the Business Blueprint ride will return to Baan Tharn Namchai by cycling from Hua Hin down to the east coast and across Khao Sok National Park to Khao Lak. This beautiful ride is a mix of coastal towns, lush plantations, and picturesque national park. The final day of cycling is a memorable one as the group makes one final climb before enjoying a spectacular downhill run to Baan Tharn Namchai where the kids will be waiting excitedly to greet you and show you exactly how important your fundraised dollars are – not just for sustaining them, but for deeply enriching their lives.

It's an experience you have to experience to get a true understanding of the impact that the ride will have both on yours and the children's lives.
